

HAMILTON COUNTY

GROWTH PARTNERSHIP

BLAIRSBURG • ELLSWORTH • JEWELL • KAMRAR • RANDALL
STANHOPE • STRATFORD • WEBSTER CITY • WILLIAMS

A partnership between Hamilton County, the City of Webster City, and the Ames Regional Economic Alliance was formed in May 2024. The Alliance is providing an expanded team and expertise supporting economic development in the region. This partnership has led to the formation of the Hamilton County Growth Partnership (HCGP). The HCGP works to organize and promote economic growth and community betterment throughout the county.

The HCGP is inviting regional business, industry, and key partners to join our Board of Directors as a founding member. Among the benefits to investors are:

- An opportunity to help develop, influence, and lead this new partnership
- Connections for you and your business in the region to resources at the local, state, and national level
- Improved and coordinated regional marketing
- Advocacy services and information on federal, state and local policy issues that impact regional businesses
- Participation in a Business Retention and Expansion (BRE) program
- The opportunity to support county wide housing initiatives
- Support for community betterment and livability initiatives
- The opportunity to grow your network of professional contacts within Hamilton County and the region
